# Product Specification Sheet

## Simrad WR10 Wireless Remote and BT1 Base Station

SKU: SIM-000-12316-001  Manufacturer part: 000-12316-001

Compiled by Common Ground from the supplied, source-linked Simrad research. Not a manufacturer-issued datasheet. Specifications apply only to the stated model or component.

**Pack contents/context**
One WR10 wireless remote and one BT1 Bluetooth base station; the BT1 works with up to four WR10 remotes.

**Control**
Five simple buttons; steer or set heading in 1° and 10° increments; dedicated Standby and Engage buttons; supports full autopilot, next-waypoint navigation and NoDrift steering commands as described on the official product page.

**Wireless range**
Up to 30 metres (official product page).

**Network/installation**
BT1 connects to the boat's NMEA 2000 network with one plug and needs no separate power supply; deck or pole mounting.

**Physical/use features**
Compact lightweight remote with wristband/lanyard attachment; BT1 described as compact and waterproof; WR10 has a multicolour command/low-battery LED.
